NOTE: The supplier registration data collected is used to create a database primarily for the United States, but may be shared with other Merz regions as requested. Only those fields marked as required are necessary to complete the submittal. Information on the socioeconomic status and applicable certifications is optional and requested to support US supplier diversity reporting and customer sourcing requirements. This data is aligned to the supplier/company and not the supplier contact provided.

Merz is committed to your privacy. Please see our privacy policy available at [Merz Privacy Policy](#).
